

Mr Gerhard Keun studied at the University of the Free State and completed his B. Admin degree in 1988. He spent several years working in the municipal sphere.

He joined the Oil and Protein Seeds Development Trust and Oilseeds Advisory Committee in 2001 as Administrator. As Chief Executive Officer, he is currently managing the combined administration of the Protein Research Foundation, Oil and Protein Seeds Development Trust and Oilseeds Advisory Committee, including the various forums and working groups.

He also assisted the oilseed crushers to establish the Oilseeds Crushers Association of South Africa (OCASA) under the PRF Administration.
